

# DRIVER TRAINING BENEFITS

11/01/2021

Professionals know the value of training. A4DD's training courses meet all relevant government standards, are truly **customized** for delivery workers, and support drivers' IC status. A4DD makes training easy with interactive, engaging online courses available 24/7 at costs well below market rates. Drivers receive a Certificate of Completion upon meeting course requirements.

Pricing and sign-up information is available at [www.A4DD.org](http://www.A4DD.org)

## SAFETY TRAINING

Regular safety training saves lives and shipments. Preventing injury and accidents – while also meeting contract standards – never gets boring with A4DD's growing catalog of courses. Choose from topics like defensive driving skills, back injury prevention, vehicle care, cargo/ warehouse safety, and wellness. Save even more with a "Six-Pack" course bundle.

## COMPLIANCE / SKILLS TRAINING

Some deliveries call for specialized training to comply with government or industry standards, like:

- medical lab work, blood, and pharmaceuticals
- food handling and alcohol delivery
- hazardous materials (even in small quantities)
- 'White Glove' home delivery with assembly or installation

Plus, all drivers need to know how to avoid and deal with workplace violence, harassment, stress, and substance abuse. A4DD offers discounted course bundles and one-stop compliance.

## ROOKIE / REFRESHER TRAINING (coming soon)

Arrive ready to deliver professional service that meets industry and customer expectations. A4DD training covers what drivers do, proper techniques and best practices, as well as driver health and safety and applicable government regulations. Our training lets you minimize downtime from errors and get better work.

## PROFESSIONAL WORKFORCE TRAINING (coming soon)

It's easy to say you're an independent contractor, but are you ready to handle what comes with that? Things like customer service and complaints, the business math of profit and loss, proper workplace communication, etc. – actually running a business. A4DD delivers an affordable, easy curriculum to prepare you to hit the road as a professional driver or delivery business.
